

## What are Scrip Cards?

Scrip is a term for "substitute money". When you purchase Scrip, you're purchasing gift certificates and prepaid cards that are used just like cash. Use Scrip to purchase everyday items such as food, clothing, gas and other essentials, and earn revenue for your band student.

## How does it work?

The Great Lakes Scrip Center acts on behalf of churches, schools and other nonprofit organizations to purchase large amounts of Scrip from grocery stores, department stores and other retailers. Because Scrip is purchased with cash up front, participating retailers offer substantial discounts. When your family orders Scrip cards at face value, our school buys the cards at a reduced cost, and the published discounts – from 2% to 15% and more – are the band student's revenues to keep. It couldn't be easier! And remember, gift cards make great presents for friends, and family.
