Syllabus
2019-2020

First Hour (8:10-9:06)
Room: Band Room C107

INSTRUCTOR: Kiley Coyne, Director of Bands
Email: Kiley.Coyne@k12.sd.us
Music Office: (605) 367-7976

CREDITS: 1

MATERIALS: Students will need a functioning instrument, necessary accessories (reeds, valve oil etc.), music (handed out in class), and a pencil every day.

DESCRIPTION: In this course, students will improve proficiency in all aspects of reading and performing instrumental music. Through the rehearsal and study of quality wind band literature, students will strengthen individual playing techniques and skills; learn about the theory, history, and vocabulary of music; demonstrate confidence and poise during public performances; and learn to work collaboratively as a member of the ensemble. This course emphasizes the importance of participation, appreciation, and support of music for life. Symphonic Band is open to students in grade 9-12 by audition only. The band has several performances throughout the year including one in late fall, midwinter, large group contest in early spring and another concert in late spring. Students also have the ability to participate in several local and regional honor bands and solo and ensemble contest during the spring semester. Students are encouraged to take private lessons.

WOODWIND/BRASSWIND ENSEMBLE OR ORCHESTRA:

On Wednesdays during Symphonic Band, students will have the opportunity to either participate in Symphony Orchestra or our Warrior Woodwind/Brasswind Ensemble groups during rehearsal. The Warrior Woodwind or Brasswind Ensemble is an auditioned group with one person per part. Mrs. Coyne will direct the Woodwind Ensemble and Mr. Harder will lead the Brasswind Ensemble. Focus for this ensemble will be to perform quality chamber music where each student is solely responsible for his/her part. These select groups will perform prior to band concerts, at solo/ensemble contest and during our *Prism Concert* in February.

For those who wish to perform with the Symphony Orchestra, you will rehearse during first hour with Mrs. Chiarello each Wednesday. These groups are only open to Symphonic Band students and the same standards of excellence apply to this repertoire as well as the repertoire they will work on during Symphonic Band.

- II. CONCERTS ARE MANDATORY. An unexcused absence from a performance is a loss of 100 points (a zero) for that concert and student will be required to complete the below assignment in an effort to make up those points.
- III. In addition, if a student misses a concert even with an excused absence, they will also be required to complete the following assignment to make up the points for the concert.

MAKE-UP ASSIGNMENTS

Students missing a performance for any absence will be required to complete one of the following assignments to earn 100 points: (If you miss it, you make it up, even if it is an excused absence such as a sport conflict)¹ It is the responsibility of the student to decide and approach director with preference of make-up assignment.

Each student starts with 100 points of participation per QUARTER. Any failure of participation protocol will result in the deduction of participation points as listed below. Each point deduction from director will be documented to show date and violation with no warnings given.

- I. 5 participation points lost if student is SWEPT
- II. 1 participation point lost if student does not bring required materials to class
- III. 1 participation point lost each time student is caught using cell-phone in class. (Repeated number of sightings will involve confiscation of phone until end of the day)
- IV. 1 participation point lost if student is not respectful of time and is excessively talking or disrupting class

¹ An absence due to an extreme circumstance will be considered on an individual basis subject to the discretion of the band teacher and school administration.

ASSIGNMENTS

Symphonic band students are required to complete a few assignments throughout the year as well as few homework assignments.

- I. Listening Assignment: Observing the performances of high quality instrumentalists is essential when learning how to play your instrument and perform music. Listening to characteristic sounds of instrumentalists, ensembles, and repertoire will give you a better idea of the sound that you are trying to produce on your own instrument.
 - a. Students are required to complete **TWO** listening assignments **per semester** (four total per year). They can be completed at any time and submission is done through the website at www.washingtonbands.org.
- II. Playing tests will occur one per semester. Portions to be played for playing test will be assigned by director and will mostly likely be centered around a particularly difficult section of music to be played for each concert. Playing tests will be graded somewhat harshly but it is only because as a performer, there is no such thing as perfect. We should all strive to be better every day! Submission of playing tests can be done electronically (recorded and sent through email) or by scheduling a time before/after school with director.
 - a. Students choosing to send their playing tests via recording/email must state their name and instrument at the beginning of the recording.

Note: For semester 1: if your student is in marching band, his/her playing test will be their section evaluation/memorization of marching band music – they will not do anything extra.

Note: For Quarter 3: If your student decides to participate in Solo/Ensemble Contest, that performance will suffice as their playing test for that quarter!

CONCERT ATTIRE	The uniform for Symphonic Band is professional/concert black. Men need to wear black pants with black socks, black dress shoes, a black long sleeve button up shirt (or white button up shirt) with black tie and black jacket. Women should wear a floor length black dress/skirt or black pants and a black blouse with at least short sleeves (no thin straps).
FUNDRAISING	The school district supplies many things to our program and we are lucky to have this support. However, these funds cannot account for everything that goes into a successful band. A fundraising target is a goal for each student to raise into their Individual Student Account that helps cover the costs for the year. Any additional amounts over the target will stay in the students account for subsequent years. The target for any performance concert band is \$75.
BAND LOCKERS	Students will be issued a band locker for his/her convenience and instrument's safety. Instruments must be labeled with the student's name and the school name. Lockers should be kept clean with instruments placed in their case and locks secured when not in use. Failure to comply will result in a loss of participation points. Students may choose to supply their own combination lock in which case the student must provide the combination to the director.
ELECTRONICS	In compliance with the student handbook, electronic devices are not allowed to be used during class time, unless directly authorized by the instructor for an educational purpose. Any student observed using an electronic device will have it confiscated and will need to have a parent or guardian retrieve it at the end of the day as well as lose participation points.
EXTRA CREDIT	Extra credit opportunities are posted in the band room and range from attendance at an additional sectional or concert and/or private lesson written reports, to volunteering in the music department or at community non-profit organizations (such as the Humane Society or Food Bank).
INSTRUMENT REPAIR	A student cannot actively participate or learn to play well if his/her instrument is in need of repair. In an effort to make sure your student has the best possible tools needed for success, instruments in need of repair need to be brought to the attention of the director IMMEDIATELY so we can ensure it is repaired in a timely fashion.
PLAGIARISM/CHEATING	Plagiarism or cheating of ANY kind will absolutely NOT be tolerated. This includes, but is not limited to: plagiarizing make-up assignments (research paper etc.), cheating on semester written exams, copying/plagiarizing listening assignments, or cheating through email submission of playing tests. <i>When</i> discovered, students will be reported through an office referral enduring the school consequences as well as not being able to audition for Concert Band and/or Symphonic Band for the next season.
